Legal Disclaimer

The purpose of this presentation is to provide information on Brack Capital Properties N.V. (hereinafter: the “Company”), its operations and financial performance. It does not constitute an offer to purchase or sell securities of the Company or an invitation to receive offers as stated, nor does it constitute a recommendation regarding the securities, and is designated only for the provision of information.

The information provided in the presentation is not an alternative to the gathering and analysis of personal information, does not constitute a recommendation or opinion and does not constitute an alternative to the personal discretion of any investor.

This presentation and the information included herein were not intended to replace the need to review the reports published by the Company to the public, including the Company's periodic reports for 2022 (as was published on March 31, 2022, reference number: 2023-01-036915) and Q3 2023 (as was signed on November 23, 2023).

The presentation includes plans for operations and/or moves and/or evaluations of the Company in relation to its assets and/or expected yields based on the Company's operations as of today constitutes forward-looking information, as the term is defined in the Securities Law, 5728-1968 (hereinafter: the “Securities Law”), including forecasts, business goals, evaluations and standards, and including information presented through drawings, graphs, surveys and any other information, in any manner provided, relating to the future events or matters, the realization of which is uncertain and not under the Company's control. The realization and/or non-realization of the forward-looking information as stated will be impacted by factors that cannot be evaluated from the outset and are not under the Company's control, including risk factors characterizing the Company's operations, as detailed in the Company's reports for 2022 and Q3 2023, and from developments in the general and financial environment in the Company's areas of business, and external factors impacting its operations, including the impact of the spread of Coronavirus (COVID-19), the war in Ukraine and the changes in the capital markets, the interest rate and inflation. It shall be clarified that this presentation shall not, in any manner limit the Company from taking any business decisions, including with respect to the purchase or sale of any assets, including in a manner that may differ from this presentation or the forecasts presented in it. It should be noted that there might be un-material gaps between the presentation and the Company's reports, which are all due to rounding of amounts only.

This presentation includes data of expected profits, sales, income and expected rate of development profit, as detailed in these slides is forward-looking information, inter alia, regarding expected profits, sales, income and expected rate of development profit, that is not under the Company's full control and the fulfillment of which is not certain. The information based on the current information existing that currently exists in the Company, regarding: the demand for residential areas in the city, market prices of the residential areas in the city in general and in the area of the projects specifically (including comparable competing projects), accumulated knowledge and experience of the Company's management and forecasts and estimates of the Company regarding the construction, development, marketing costs, etc, and additional assessments that were made by the Company. There is no certainty that the procedures for land designation change will take place and / or be completed, if any, as their completion is subject to planning and construction procedures that are governed by German law, which is not under the Company's control. Furthermore, even if the required approvals shall be obtained, the Company will decide to establish the projects on its own and the construction of projects will take place, a change in circumstances or an increase in construction costs and / or extraordinary conditions may materially change the Company's detailed evaluations and may materially impact the expectations of income from the projects and their overall profitability. Similarly, there is not any certainty that the processes of the zoning change of the real estate sites will take place and/or will be completed, if at all, since their completion is subject to the planning and construction proceedings required according to the German law, the completion of which is not under the Company's control. In addition, it should be noted that the Company's reference to after-tax profitability is based on the Company's assessment, in accordance with the opinion received from the tax advisers, of the tax rate applicable to the various transactions, and the tax authorities may disagree with these estimates.

It should be noted that the images attached to this presentation, as well as certain data included in this presentation were not included in past reports of the Company and are provided for the first time in this presentation or presented in a different manner than it was presented in the Company's reports or were updated in accordance with the statements of the Company's reports for 2022 and Q3 2023. In addition, information included in the presentation may be considered to be presented differently than the manner it is presented in the Company's reports. The Company is of the opinion that the information included in the presentation, is available for calculation from the data included in the said reports, or alternatively, has no material influence with respect to a reasonable investor which may consider the purchase or sale of the Company's securities.

The information and assessments presented in this presentation with respect to the future results of the Company's development field are presented under the assumption that this field of activity will continue in its current structure as detailed in the Company's reports for 2022 and Q3 2023.

Significant Upside Potential

Sale Agreements

Sale of properties

To finance its operating activities and to meet its obligations, in 2022 the Company entered into and completed a number of property sales totalling approximately EUR 148.2 million, which was received in cash during the period.

Sale of additional properties from the Income producing and Residential development portfolio

The Company is examining selling additional properties both from its income generating and development portfolios if necessary to meet its liquidity needs.

For this purpose, the Company entered into agreements with various brokers to examine the sale of all assets in its development portfolio, where the scope of the assets to be sold by the Company from the aforementioned portfolio depends on the Company's liquidity needs at the relevant time.

As of the publication date of the report, the Company is continuing to conduct negotiations to sell properties from its income-generating residential portfolio.

Financing

Average interest rate on debt - 2.99%*

Average maturity – 4.64 years

Bank financing

On March 27, 2023, the Company completed loan refinancing totaling EUR 34.5m. The maturity date was extended by 2 years – to March 2025. The loan bears annual interest of 5.51%.

On May 24, 2023, the Company completed loan refinancing totaling ~ EUR 94m. The maturity date was extended by 3 years – for June 30, 2026. EUR 85m of the loan amount bears annual fixed interest of 4.70%, and the remaining approx. EUR 9m bears variable interest based on the 3 month EURIBOR rate plus 1.71%.

ADLER credit facility, ADLER'S commitment and amendment of the credit facility agreement

As of the date of the report and as of its publication date, the balance of the Company's debt to ADLER for ADLER's credit facility to the Company totals EUR 75 million (after the Company repaid EUR 75 million during the reported period as specified below). During the reported period, considering, among other things, the Company's cash needs, the Company requested for the controlling shareholder to extend the maturity date of the credit facility or part thereof.

In response to the Company's request, on August 28, 2023, the parties came to an agreement whereby the credit facility agreement would be amended with the following primary changes: The maturity date for EUR 75 million of the amount drawn by the Company (EUR 150 million) shall be extended until December 29, 2024; the balance, totaling EUR 75 million, was repaid on August 31, 2023; the interest rate for the remaining amount was amended; and the unutilized credit facility totaling EUR 50 million shall expire. The other terms and conditions of the credit facility remain unchanged. The amendment to the agreement replaced the one-sided comfort letter given by ADLER to the Company***.

Company's ratings

On September 12, 2023, S&P Maalot announced that the Company's ratings were being taken off a negative CreditWatch and the Company's rating of 'iBBB-' was affirmed. This was primarily due to the Company succeeding in refinancing a number of material bank loans as well as completing an exchange tender offer for the bonds.

* Consists of bank loans, bonds, and a loan from the controlling shareholder. For further details, see slide 20

** The amendment to the agreement replaced a unilateral commitment given by ADLER to the Company in connection with the credit line. For details regarding ADLER's unilateral commitment, see the Company's immediate report dated March 31, 2023 (reference number: 2023-01-036906)

*** For further details regarding the main terms of ADLER's commitment, see the Company's immediate report dated August 28, 2023 (reference number: 0806802023-01).

Residential Development

Residential Development in Düsseldorf

An International economic center,
One of the leading cities in quality of life in the world

- 1 Grafental I
- 2 Grafental II
- 3 Grafenberg
- 4 Gerresheim

Attractive Locations Central locations within the city, in upper class neighborhoods

City of Düsseldorf's target for residential completion during 2017-2025 is **3,000 units per year**¹.

In 2017, the construction of ~ **2,800 residential units in Düsseldorf was completed**, and the municipality's target was almost achieved.

This is compared to a **significant decrease**² in 2020, 2021, 2022 when only of ~ 2,310, 2,360, 2,301 units were built, respectively¹.

1. Residential market in Germany, JLL., August 2022.
 2. Residential market in Germany, JLL., January 2023.

Aachen

Construction completed successfully

A residential rental project of **82 housing units** for controlled housing (subsidized housing and affordable housing).

The Construction was completed in **March 2022**.

Grafenberg

Future Luxury project of **85 units** Adjacent to Grafenberg forest.

Gerresheim

Virgin land being rezoned for residential use.

1,500 residential units in addition to commercial and kindergartens. By the south, the land borders the upmarket "Grafenberg" neighborhood. In November, the Company learnt of additional delays with obtaining permits due to difficulties in negotiations with the municipality of Dusseldorf. For more details, see the company's report dated November 28, 2022 (reference number: 2022-01-113352).

Grafental II + OST

(Starting From Phase G)

Phase G + H - Construction has been completed. All **185 units** have been sold and handed over to the buyers.

Phase I - construction has been completed. All **204 units** have been rented successfully.

Phase J + L - **~335 units** included under the Grafental Ost master city plan.

Grafental I

Successful development track-record

823 units were sold in full to date.

Sales of **~ 400 m EUR** to date.
