The purpose of this presentation is to provide information on Brack Capital Properties N.V. (hereinafter: the “Company”), its operations and financial performance. This presentation is not an offer to purchase or sell securities of the Company or an invitation to receive offers as stated, nor does it constitute a recommendation regarding the securities, and is designated only for the provision of information.

The information provided in the presentation is not an alternative to the gathering and analysis of personal information, does not constitute a recommendation or opinion and does not constitute an alternative to the personal discretion of any investor.

This presentation and the information included herein were not intended to replace the need to review the reports published by the Company to the public, including the Company’s periodic reports for 2023 (as was published on March 29, 2024, reference number: 2024-01-034905) and for Q2 2024 (as was signed on August 27, 2024).

The presentation includes plans for operations and/or moves and/or evaluations of the Company in relation to its assets and/or expected yields based on the Company’s operations as of today constitutes forward- looking information, as the term is defined in the Securities Law, 5728-1968 (hereinafter: the “Securities Law”), including forecasts, business goals, evaluations and standards, and including information presented through drawings, graphs, surveys and any other information, in any manner provided, relating to the future events or matters, the realization of which is uncertain and not under the Company’s control. The realization and/or non-realization of the forward-looking information as stated will be impacted by factors that cannot be evaluated from the outset and are not under the Company’s control, including risk factors characterizing the Company’s operations, as detailed in the Company’s annual report for 2023, and from developments in the general and financial environment in the Company’s areas of business, and external factors impacting its operations, including the impact of the war in Israel and the changes in the capital markets, the interest rate and inflation. It shall be clarified that this presentation shall not, in any manner limit the Company from taking any business decisions, including with respect to the purchase or sale of any assets, including in a manner that may differ from this presentation or the forecasts presented in it. It should be noted that there might be un-material gaps between the presentation and the Company’s reports, which are all due to rounding of amounts only.

This presentation includes data of expected profits, sales, income and expected rate of development profit, as detailed in these slides is forward-looking information, as this term is defined in the Securities Law , inter alia, regarding expected profits, sales, income and expected rate of development profit, that is not under the Company’s full control and the fulfillment of which is not certain. The information based on the current information existing that currently exists in the Company, regarding: the demand for residential areas in the city, market prices of the residential areas in the city in general and in the area of the projects specifically (including comparable competing projects), accumulated knowledge and experience of the Company’s management and forecasts and estimates of the Company regarding the construction, development, marketing costs, etc, and additional assessments that were made by the Company. There is no certainty that the procedures for land designation change will take place and / or be completed, if any, as their completion is subject to planning and construction procedures that are governed by German law, which is not under the Company’s control. Furthermore, even if the required approvals shall be obtained, the Company will decide to establish the projects on its own and the construction of projects will take place, a change in circumstances or an increase in construction costs and / or extraordinary conditions may materially change the Company’s detailed evaluations and may materially impact the expectations of income from the projects and their overall profitability. Similarly, there is not any certainty that the processes of the zoning change of the real estate sites will take place and/or will be completed, if at all, since their completion is subject to the planning and construction proceedings required according to the German law, the completion of which is not under the Company’s control. In addition, it should be noted that the Company’s reference to after-tax profitability is based on the Company’s assessment, in accordance with the opinion received from the tax advisers, of the tax rate applicable to the various transactions, and the tax authorities may disagree with these estimates. It should be noted that the images shown in this presentation are for illustration purposes only

It should be noted that the images attached to this presentation, as well as certain data included in this presentation were not included in past reports of the Company and are provided for the first time in this presentation or presented in a different manner than it was presented in the Company’s reports or were updated in accordance with the statements of the Company’s annual report for 2023 and the quarterly report for Q2 2024. In addition, information included in the presentation may be considered, to be presented differently than the manner it is presented in the Company’s reports. The Company is of the opinion that the information included in the presentation, is available for calculation from the data included in the said reports, or alternatively, has no material influence with respect to a reasonable investor which may consider the purchase or sale of the Company’s securities.

The information and assessments presented in this presentation with respect to the future results of the Company’s development field are presented under the assumption that this field of activity will continue in its current structure as detailed in the Company’s annual report for 2023 and for Q2 2024.

Sale of properties

Completion of the sale of residential properties in the city of Hamm

On December 15, 2023, the Company completed the sale of residential properties in the city of Hamm at a property valuation of EUR 24.0 million. The Company received an initial payment from the purchaser at closing totaling EUR 0.8 million. The sale was made through a “share deal”, and the Company received the balance of the consideration for the transaction, totaling EUR 13.6 million, in January 2024. The Company recognized a profit of EUR 0.7 million in its financial statements for 2023 following the completion of this transaction.

Land sale transaction in the city of Dusseldorf

On May 24, 2024, the Company entered into an agreement for the sale of the Grafental land, located in the city of Dusseldorf. The consideration reflects a property value of EUR 16.5 million and will be received on the closing date of the transaction which is expected to in Q3 2024. In addition, upon completion of the transaction, a cash deposit of approximately EUR 7.8 million will be released to the Company, which, as of the date of the report, is pledged as collateral to the City of Düsseldorf and is a condition for obtaining building permits from the Municipality.

As a result of this transaction, the Company recognized a profit of approximately EUR 0.8 million in its financial statements.

Sale of additional properties from the Income-Producing and Residential Development Portfolio

The Company is examining selling additional properties both from its income generating and development portfolios if necessary to meet its liquidity needs. For this purpose, the Company entered into agreements with various brokers to examine the sale of all assets in its development portfolio, where the scope of the assets to be sold by the Company from the aforementioned portfolio depends on the Company's liquidity needs at the relevant time. As of the publication date of the report, the Company is continuing to conduct negotiations to sell properties from its income-generating and development property portfolios.
